

## Accreditation Team On Campus

Dr. Dwight Baird, president emeritus of Clark College, Vancouver, left, and Dr. Barbara Daum, Seattle, members of the accreditation team of the Northwest Association of Schools and Colleges, look over Umpqua Community College's self-evaluation with UCC President Harry Jacoby. The 11-member team is winding up today a three-day survey of school

facilities, programs and personnel to determine whether the school's accreditation will be extended for another three-to 10-year period. Dr. Baird's specific area is administration and continuing education, and Dr. Daum is studying the school's student service program. (News-Review photo.)
